GROUP 9

GROUP ASSESSMENT

GENERAL ASSESSMENT :

This project was quite difficult but with alot of perseverance and the hard working attitude of the group members we were able to achieve the objectives required for this project.

PARTICULAR ASSESSMENT :

- **KOLOKO KALEU STEPHANE ARISTIDE (Group Leader) :**

   This project helped me in deepening my knowledge on the Java programming language as well as on data base manupulations by putting in practice all what we learned during the différent prosits that we had on this UE. Although we encountered alot of technical contraints, we were able to achieve our goal.

- **MIRLEINE BOUANGA :**

   This project was very interesting, it's permit me to use my knowledge. And i learned more in this project.

- **FOTSO FOALENG CONSTYL DUVAL :**

   The project was interesting but difficult due to some contraints such as the working condition which was not easy at the beginning. After all we were able to achieve 100% of the objectives required.
